PROGRAM

SUPPORTING EVENTS

MUSIC POINTS

1 PRINTED WITH LIGHT

Liberty Square – Church / Olga Balowska, Robert Slowik, Sebastian Jachimowicz

Full of details, pulsing with thousands of colors and images, the mapping projection will transform the facade of the church into a real painting canvas.

2 PARADOX

Liberty Square – museum Sławomir Fafara

A fabulous architectural mapping with an intriguing title, taking spectators on a fascinating and surprising journey between surrealistic worlds. Patron of the Project: Rossmann.

3 TECHSTURA

Piotrkowska 76 / Mammasonica

We shape the illusion, address the viewer and represent the space of avant-garde's aesthetic; a relation with reality and its representation.

4 CONVOLUTIONS

The Alexander Nevsky Cathedral, Kilińskiego 56 / Yann Nguema

The breathtaking spectacle which is a combination of 3D mapping, the dynamic show of lights and lasers. 3D animation made of 15 000 stones, their lines and curves let the viewer really blend in the building.

5 HOUSE OF WORSHIP

Lodz House of Culture, Traugutta 18 Pani Pawlosky

Infinite surrealistic scenes covering the modern architecture. Patron of the Project: Łódzka Kolej Aglomeracyjna.

6 DANCING-EYES

Sienkiewicza Park/ Patrycja Trela
A visual-dancing show in Sienkiewicza Park. Freedom in many ways – how to break with conventions and rules?

6 ELEMENTS

7 8 9 *Staromiejski Park*
10 *Sienkiewicza Park*
11 *Rubinstein Passage*

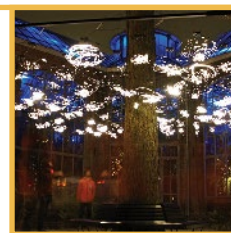

Lux Pro Monumentis Foundation
Avant-garde projections of five Japanese elements are displayed on enormous globe: air, earth, fire, water and lightning.

12 SOCIAL SPARKLES

Staromiejski Park / Toer Studio

Fireflies follow you. Like a swarm of fire flies the interactive light elements follow your movements through the park, creating a lively scene.

13 BIZZARE GARDEN

Staromiejski Park / Monika Łuczak

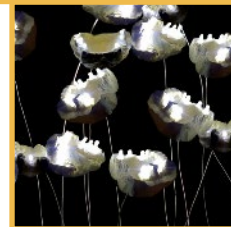

Among flickering flora and metallic sounds of jungle of wires, mysterious giant welcomes the first human.

14 POLISH MERDOW

Staromiejski Park / Monika Szpener

The installation consists of 200 plaster casts of jaws complemented with LED light. The work raises the subject of the real condition of our society in the context of it is consumer vision.

15 STRZEMIŃSKI O'CLOCK

Staromiejski Park / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska

An light installation that corresponds to typography designed by Władysław Strzemiński. The major colors (yellow, blue and red) refer to neoplasticism style.

16 SANCTUARY

Park Staromiejski / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska

Mirror light sculptures of forest animals: the wolf, the deer and the bear. Geometric and simplified form refer to cubism style. Patron of the Project: Olimpia.

17 KANDINSKY FIGURINES

Staromiejski Park / TV Moob & Hercz

The installation inspired by work of Wassily Kandinsky. Projection of the mix of animations corresponding to avant-garde movement. Partner: Eska Radio.

18 GATE TO THE LIGHT

Sienkiewicza Park / A. Dynarek

Multimedia installation referring to typology of gate geometry, illuminated by intensely colorful and everchanging dynamic projection. The viewer is fully immersed and hypnotized. Patron of the Project: Drukarnia Prasowa.

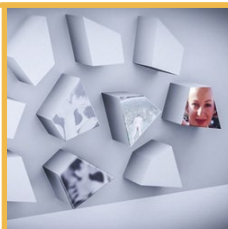

19 BURNING GIRAFFES

Sienkiewicza Park / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska
Inspired by Salvador Dali's surrealistic painting UV installation of metaphorical giraffes presented on the park's trees.

20 TEN

6 Sierpnia / J. Jędrzejczak
Composition of parallel movie projections made by Jacek Jędrzejczak with music composed by Bogdan Mizerski. The author and performer of installation is Piotr Cieślak.

21 TRIDIMENSION

Traugutta / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska
The sculpture depicts an octagram (eight-angled star), which was drawn for the first time by Leonardo da Vinci. This light installation is covered with multiple illustrations inspired by the pieces of work by surrealists.

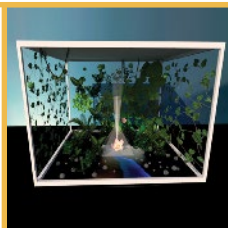

22 DIAMONDS

Rubinstein Passage / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska
Five highlighted sculptures giving impression of diamonds refer to heritage of Łódź textile industry. The installation were made thanks to festival's volunteers and Lux Pro Monumentis Foundation team.

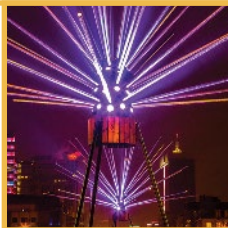

23 THE ROUTE OF STARS

Rubinstein Passage
cos.moss Katarzyna Hajduczenia
What have in common the famous painter of Parisian avant-garde Henri Rousseau with tropical jungle full of snakes, jaguars and poisonous plants? Famous painter was dreaming about such journey while creating paintings with tropical leitmotif. You can experience this feeling first-hand.

24 ASTERA

Schiller Alley / TILT
Flower of the night with a singular photosynthesis, the Astera blooms with the sunset and reveals the beauty of its infinite colours.

25 IN THE CLOUDS

Piotrkowska 19-22 / Asia i Asia
Installation is playing with the imagination. A light construction of floating clouds gives the impression of infinity, something borderless. Being so close to the Earth, paradoxically, we are closer to the sky.

26 ECOTREES

Hotelowa / Fundacja Lux Pro Monumentis
Gigantic trees and surrealistic ecological sculpture in one. The crown made by huge plastic spheres. Patron of the Project: WFOŚiGW in Łódź.

27 LIGHTS OF KOTARBINSKI

6 Sierpnia / LPM: K. Jędruszek, A. Tranda, M. Walak, M. Pieszczyńska
The spatial installation using the effect of light and shadow, from which thoughts of first rector – prof. Tadeusz Kotarbinski radiate into the space. Patron of the Project: University of Łódź.

28 ROOF WALKERS 2.0

Piotrkowska 6 / Foundation Lux Pro Monumentis & Williamsburg
Roof Walkers represents the most vital parts of the city: it's courtyards, rooftops and cats.
